Free online - quality Australian resources for supporting the teaching of the recently published ACARA Australian Curriculum: Geography

GeogSpace has been designed to provide materials to support primary and secondary teachers to implement the Australian Curriculum: Geography.

GeogSpace has been developed by a team of geography teachers dedicated to produce a resource that reflects best practice in geographical education using current technology and pedagogies.

GeogSpace offers quality primary and secondary geography resource materials for all teachers of geography, including those that are very experienced and those just commencing their involvement in geographical education.

Materials to support teachers to develop their knowledge, skills and pedagogical capacity to teach geography in the Australian Curriculum
