A letter to publishers

Dear publisher

As the contact for a publisher listed on our database, I am writing to inform you of the details for the **2024 Australian Geography Teachers' Association (AGTA) Awards**, and to invite you to submit entries for these awards.

The Australian Geography Teachers' Association Awards are given biennially for products of Australian origin associated with the teaching of Geography in schools.

Since the publication of the *Australian Curriculum: Geography*, states and territories across Australia have been implementing the curriculum according to their own jurisdiction requirements. Consequently, many products have been published to assist teachers and students in the delivery and learning of this curriculum. The AGTA Board are very excited about the upcoming 2024 AGTA Awards. As the 2024 convening team for the AGTA Awards, and on behalf of the AGTA Board, we would like to express our confidence in the work of publishers who produce a large variety of high-quality resources suitable for consideration as worthy recipients across the AGTA Award categories.

The award winners receive a citation bearing the emblem of AGTA. Winners may display this emblem as the association's endorsement of the product.

Please find the following attachments to this letter:

1. AGTA Awards – Information
2. AGTA Awards – Entry Form

This information is also found on the AGTA website www.agta.asn.au

The **closing date** for entries to the AGTA Awards is **Monday 1 July 2024**. Details of how and where to send entries are in the attachments.

We look forward to receiving your entries.

Best wishes,

Trish Douglas, Immediate Past Chair AGTA, Secretary GTAV
On behalf of the convening team for the 2024 AGTA Awards
